

# Military Services Program

Phoenix House  
Rising Above Addiction

## Have you served in the Military?

Are you having trouble sleeping?

Are you drinking or using drugs more than you used to?

Are you feeling depressed, anxious, or on-edge?

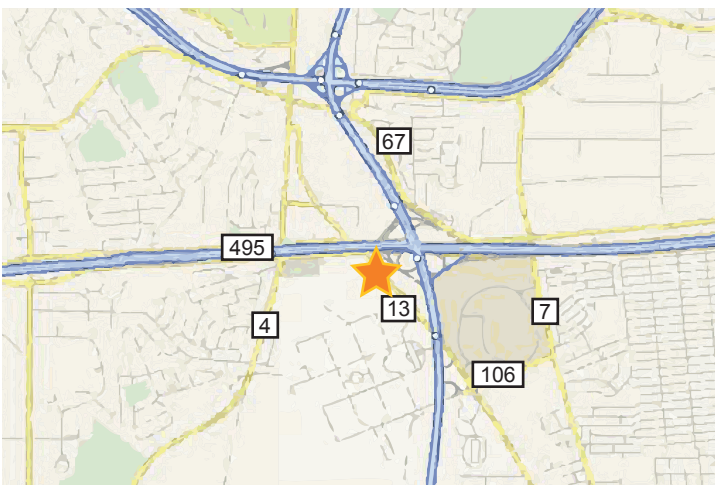

Have people told you that you have changed?

### We can help you.

Phoenix House provides comprehensive mental health and substance abuse services tailored to the specialized needs of veterans and their families.

### Services include:

- Residential and outpatient substance abuse treatment services
- Trauma-informed individual, group, and family counseling
- Access to Veterans Business Center
- Comfortable veterans lounge with coffee and refreshments
- Exercise room
- Referrals to veteran service organizations
- Monthly seminars on veteran benefits
- Day and evening hours available
