Services at the Orange County Recovery Center include practical, social and emotional support, peer mentoring and leadership opportunities, vocational advancement services, sober recreation activities, and assessment and referrals to community-based providers. Services are free to Orange County residents and take place on weekdays from 12 noon to 8 p.m. and on Saturday mornings from 8 a.m. to 4 p.m. We welcome all community members and offer:

- **Recovery Mentoring** – Recovery Mentors (peers in recovery) volunteer to guide others and offer one-on-one emotional support and problem-solving.
- **Peer Support Groups** – co-facilitated by peer leaders, these groups include a women’s group, a men’s group, a young adult group, a veterans group, an LGBT group, and on-site 12-Step meetings.
- **Recovery Telephone Check-in** – participants may register to receive weekly or monthly telephone check-ins from peers, including text-based conversations.
