All medications must be prescribed by a doctor in order for your child to take medications while in our care. We understand that this is an inconvenience to you, but we are thinking of the safety of your child. These medications will be locked up until they are to be given out to your child as per the prescription. Once again, we are thinking of the safety of all of the children in our care by accounting for all medications. Please see your child's counselor if you have any questions regarding your child's medications.
